**PRESENT OR MENTION THIS
BROCHURE TO RECEIVE A
DISCOUNT!**

If you have encountered data loss, suspect it is imminent, or if someone you know is in this predicament, STOP! Reach out to Data Rescue MDs immediately for the best opportunity for successful data recovery. Often, clients are unaware data recovery services exist and attempt off-the-shelf software, or entrust their devices to unqualified entities, inadvertently complicating or rendering data recovery impossible until it reaches us.

- We successfully recover 9 out of 10 data recovery cases presented.
- Expedited Services are available when you need your data fast!
- Refer a friend or family member and receive \$25 off future services.
- FREE SHIPPING
- FREE EVALUATIONS
- NO DATA – NO FEE GUARANTEE!

**TRUST THE BEST WITH YOUR
IMPORTANT DATA!**
